

Mandatory Anti-Harassment Training

Altair Financial Group • August 2026

NOTICE OF MANDATORY COMPLIANCE TRAINING

To: All Active Employees and Independent Contractors

From: Office of the Chief Compliance Officer & Global Human Resources

Date: August 18, 2026

Subject: 2026 Annual Anti-Harassment and Workplace Conduct Certification

At Altair Financial Group, we are committed to cultivating a safe, inclusive, and professional work environment free from discrimination, harassment, and retaliation. To reinforce this commitment and comply with state-mandated regulatory requirements, all employees, including part-time staff, interns, and registered contractors, are required to complete the 2026 "Respect in the Workplace" training module.

Course Details:

Module Title: Preventing Sexual Harassment and Cultivating Inclusion

Duration: Approximately 90 minutes (120 minutes for personnel with direct reports)

Format: Interactive E-Learning Module via the corporate Learning Management System (LMS)

Completion Deadline:

This mandatory curriculum has been assigned to your LMS dashboard today. You must complete the training and pass the final comprehension assessment with a score of 80% or higher by 5:00 PM EST on Friday, September 18, 2026.

Instructions for Access:

1. Log in to the Altair Intranet portal using your single sign-on (SSO) credentials.
2. Navigate to the "My Learning" tab under the HR Services menu.
3. Select the course titled "2026 Respect in the Workplace (Compliance)."
4. The system will automatically generate a completion certificate and update your personnel file upon successful finishing of the module.

Consequences of Non-Compliance:

Completion of this training is a strict condition of employment. Failure to complete the module by the September 18 deadline will result in an immediate suspension of your network access and building badge privileges. Furthermore, non-compliance will be documented in your annual performance review and may negatively impact your eligibility for the Q4 compensation cycle.

If you require any technical assistance or ADA-compliant accessibility accommodations to complete this training, please submit a ticket to the IT Helpdesk.
