

International Relocation Assignment Letter

Global Tech Assembly Corp. • August 2026

INTERNATIONAL ASSIGNMENT AGREEMENT

Employee: Marcus Vance

Title: Director of Global Operations

Home Country: United States (Chicago Headquarters)

Host Country: Singapore (Regional Hub)

Assignment Duration: 24 Months (Effective October 1, 2026)

Dear Marcus,

We are pleased to confirm your international assignment to Singapore to lead the expansion of our Southeast Asian assembly facilities. This letter sets forth the financial and logistical terms governing your global mobility package.

Compensation Structure:

- Base Salary: Your baseline salary of \$210,000 USD will continue to be paid via US payroll.
- Foreign Service Premium: You will receive a tax-equalized foreign assignment allowance of 15% of your base salary (\$31,500 annualized), paid monthly.
- Cost of Living Adjustment (COLA): A index-matched COLA of \$1,850 per month will be provided to compensate for price differentials in housing and consumer goods.

Relocation and Housing Allowances:

- Housing Allowance: The company will pay directly for fully furnished executive housing in Singapore up to a maximum cap of \$6,500 SGD per month.
- Destination Services: You will be provided with three days of local orientation, assistance with securing employment visas for your dependents, and tax advisory services for US/Singapore dual filing.
- Relocation Shipment: Coverage includes air freight of up to 500 lbs of personal effects and sea freight for standard household goods.

Repatriation:

Upon successful completion of the 24-month term, Global Tech Assembly Corp. guarantees your placement in an equivalent executive-level position at our Chicago headquarters.
