INTERNAL MOBILITY ANNOUNCEMENT

To: Regional Operations Division

From: Vice President of Human Resources

Date: August 18, 2026

Subject: Promotion Announcement - Regional Fleet Director

It is our absolute pleasure to announce the promotion of Robert Sterling to the role of Regional Fleet Director for the Eastern Seaboard Division, effective September 1, 2026.

Robert joined Silverline Logistics six years ago as a Terminal Operations Supervisor and has consistently demonstrated operational excellence, strategic vision, and dedicated team leadership. Most recently, as Senior Operations Manager, he spearheaded the deployment of our automated route-optimization software, reducing fleet fuel consumption by 11% across 14 distribution hubs.

In his new capacity as Regional Fleet Director, Robert will oversee all asset management, maintenance protocols, driver safety programs, and regulatory compliance for over 450 commercial vehicles and 600 transport personnel.

Please join us in congratulating Robert on his well-deserved promotion and wishing him continued success in his new leadership role!
