Dear David Lin:

You are hereby notified that you are in default under the terms of the Promissory Note and Deed of Trust dated April 12, 2022, securing the real property located at the address listed above (the "Property").

NATURE OF DEFAULT

You have failed to make the required monthly mortgage payments for the months of June, July, and August 2026.

AMOUNT REQUIRED TO CURE DEFAULT

To cure this default and bring your loan current, you must pay the total past due amount of \$14,500.00. This amount includes past due principal, interest, escrow shortages, and accrued late fees.

DEADLINE TO CURE

You have thirty (30) days from the date of this notice, which is September 30, 2026, to pay the total amount required to cure the default. Payments must be made in the form of certified funds, cashier's check, or wire transfer.

CONSEQUENCES OF FAILURE TO CURE

If you fail to cure the default by the stated deadline, Crestline Mortgage Bancorp intends to exercise its right to accelerate the maturity of the loan, declaring the entire outstanding principal balance and all accrued interest immediately due and payable. Furthermore, we will instruct the designated Trustee to initiate foreclosure proceedings to sell the Property at public auction to satisfy the debt.

You have the right to reinstate the loan after acceleration and the right to assert in court the non-existence of a default or any other defense to acceleration and foreclosure. If you are experiencing financial hardship, please contact our Loss Mitigation Department immediately at 1-800-555-0199 to discuss potential alternatives to foreclosure.
