

UNCONDITIONAL COMMERCIAL GUARANTY

Apex Logistics Platforms • August 2026

UNCONDITIONAL COMMERCIAL GUARANTY

This Unconditional Commercial Guaranty (the "Guaranty") is executed on August 28, 2026, by Arthur Pendelton, an individual residing at 1044 Horizon Drive, Seattle, WA (the "Guarantor"), in favor of First Pioneer Bank, a national banking association (the "Lender").

1. OBLIGATIONS GUARANTEED

To induce Lender to extend credit to NovaPeak Logistics Inc., a Washington corporation (the "Borrower"), under that certain Commercial Loan Agreement dated August 28, 2026, in the principal amount of \$2,000,000 (the "Loan"), Guarantor hereby absolutely, unconditionally, and irrevocably guarantees to Lender the full and prompt payment when due (whether at maturity, by acceleration, or otherwise) of all principal, interest, late fees, collection costs, and any other obligations of Borrower arising under the Loan (collectively, the "Indebtedness").

2. NATURE OF GUARANTY

This is a guaranty of payment and performance and not merely of collection. Lender shall not be required to first exhaust its remedies against Borrower or any collateral securing the Loan before enforcing this Guaranty against Guarantor. Guarantor's liability under this Guaranty is direct, immediate, and joint and several with the Borrower.

3. WAIVERS BY GUARANTOR

Guarantor expressly waives: (a) notice of acceptance of this Guaranty; (b) notice of any default by Borrower; (c) presentment, demand, protest, and notice of dishonor; (d) any defense arising by reason of any disability or other defense of Borrower; and (e) any right of subrogation, reimbursement, or indemnity against Borrower until the Indebtedness is paid in full.

4. CONTINUING GUARANTY

This Guaranty is a continuing guaranty and shall remain in full force and effect until all Indebtedness has been fully and indefeasibly paid in cash. Any modifications, extensions, or renewals of the Loan granted by Lender to Borrower shall not discharge, limit, or otherwise affect the liability of the Guarantor.
