COPYRIGHT AND INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (the "Agreement") is made effective as of August 29, 2026, by and between Cameron Davis, an independent contractor ("Assignor"), and Starlight Media Group, a Delaware corporation ("Assignee").

1. BACKGROUND

Assignor was engaged by Assignee to develop, design, and write certain original digital marketing collateral, specifically including the "Q4 Enterprise Logistics Campaign" encompassing five whitepapers, twelve graphic advertisements, and source files (collectively, the "Work Product").

2. ASSIGNMENT OF RIGHTS

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably assigns, transfers, and conveys to Assignee, and its successors and assigns, all of Assignor's right, title, and interest in and to the Work Product throughout the world. This assignment includes, without limitation, all copyrights, trade secrets, moral rights, trademark rights, and any other intellectual property rights embodied in or related to the Work Product.

3. WAIVER OF MORAL RIGHTS

To the extent permitted by applicable law, Assignor forever waives and agrees never to assert any and all "moral rights" (including rights of attribution or integrity) that Assignor may have in the Work Product against Assignee, its licensees, successors, or assigns.

4. ASSISTANCE AND EXECUTION OF DOCUMENTS

Assignor agrees to assist Assignee in every proper way to obtain and enforce the intellectual property rights in the Work Product in any and all countries. Assignor will execute any additional documents, applications, or assignments reasonably requested by Assignee to record or perfect the assignment granted herein. If Assignee is unable to secure Assignor's signature on any such document, Assignor hereby irrevocably designates Assignee as its attorney-in-fact to execute and file such documents on Assignor's behalf.

5. REPRESENTATIONS AND WARRANTIES

Assignor represents and warrants that (a) the Work Product is original and solely the result of Assignor's own efforts; (b) the Work Product does not infringe upon the intellectual property rights of any third party; and (c) Assignor has the full legal right to execute this Agreement.
