

Final Underwriting Approval and Clear to Close

Crestline Mortgage Bancorp • August 2026

RESIDENTIAL MORTGAGE UNDERWRITING DECISION

Date: August 18, 2026

Loan Number: #4490-8821

Borrower(s): Jonathan Sterling, Amanda Sterling

Property Address: 402 West Elm Drive, Maplewood Estates

Decision: APPROVED / CLEAR TO CLOSE

Loan Parameters:

- Base Loan Amount: \$415,000.00
- Appraised Value: \$555,000.00
- Loan-to-Value (LTV): 74.7%
- Combined LTV (CLTV): 74.7%
- Interest Rate: 6.125% (30-Year Fixed, conventional)

Credit and Capacity Analysis:

The borrowers exhibit a strong credit profile with middle FICO scores of 762 and 745, respectively. The primary wage earner, Jonathan Sterling, has verified continuous employment as a mechanical engineer for the past six years. Base income is verified via W-2s and recent pay stubs, yielding a monthly qualifying income of \$12,450.

Total monthly debt obligations, including the proposed Principal, Interest, Taxes, and Insurance (PITI) payment of \$3,145.50, result in a front-end Housing Ratio of 25.2% and a back-end Debt-to-Income (DTI) ratio of 34.1%. Both ratios are well within the conventional underwriting guidelines maximum of 43.0%.

Asset Verification & Cash to Close:

The borrowers have documented sufficient liquid reserves. Verified funds in the joint checking and high-yield savings accounts total \$118,500. The estimated cash to close, inclusive of the 25% down payment and projected third-party settlement costs, is \$148,200. The shortage of \$29,700 will be covered by a verified gift of equity from an immediate family member, which has been documented via a signed gift letter and trace of funds transfer.

Conditions:

All prior-to-document (PTD) conditions have been satisfied. The file is released to the closing department for the generation of the final Closing Disclosure (CD).
