

URGENT: Margin Call and Account Liquidation Warning

PrimeTrade Securities LLC • August 18, 2026

MARGIN DEFICIT AND MAINTENANCE CALL NOTICE

Sent Via Secure Message and Email

Account Number: 884-29910

Account Holder: Harrison V. Vance

Date: August 18, 2026

URGENT: ACTION REQUIRED REGARDING YOUR BROKERAGE ACCOUNT

Dear Mr. Vance,

This notice is to inform you that your margin brokerage account ending in 9910 has fallen below our firm's minimum margin maintenance requirements due to recent adverse price movements in your portfolio holdings.

Current Account Status:

- Total Account Value (Long Market Value): \$155,400.00
- Margin Loan Balance: \$110,200.00
- Current Margin Equity: \$45,200.00 (29.08% of Long Market Value)

PrimeTrade Securities LLC requires a minimum maintenance equity level of 35% for concentrated portfolios carrying high-volatility technology equities.

Margin Deficit Amount: \$9,190.00

Required Action:

You must deposit additional funds or margin-eligible securities to meet the \$9,190.00 deficit, or liquidate existing positions to reduce your margin loan balance.

Deadline for Action:

Funds or liquidation orders must be posted to your account no later than 4:00 PM Eastern Time on August 20, 2026.

Failure to Resolve:

If the margin call is not met by the specified deadline, PrimeTrade Securities LLC reserves the right, under the terms of your Margin Trading Agreement, to liquidate positions in your account at our discretion, without further notice to you, to satisfy the deficit. You will be held responsible for any remaining debit balance resulting from the liquidation.

Please contact our Margin Risk Department immediately at 1-800-555-0199 if you have initiated a wire transfer.
