FRAUD CLAIM RESOLUTION NOTICE

Date: August 18, 2026

Account Holder: Michelle R. Stanton

Account Number: Checking ending in 1184

Claim Number: FC-2026-99402

Dear Ms. Stanton,

We are writing to inform you that First Pioneer Bank has concluded the investigation into the unauthorized electronic funds transfers (EFT) reported on your checking account on July 24, 2026.

Investigation Summary:

Your claim involved three unauthorized Automated Clearing House (ACH) debits totaling \$4,250.00, appearing under the merchant descriptor "GLOBAL CRYPTO EXCHANGE." Our Fraud Investigation Unit collaborated with the receiving financial institution and determined that your online banking credentials were compromised via a third-party data breach, leading to the unauthorized linking of an external account.

Final Resolution:

Under the Electronic Fund Transfer Act (Regulation E), we are responsible for protecting you against unauthorized transactions reported within the required timeframe. We are pleased to inform you that the provisional credit of \$4,250.00 applied to your account on July 26, 2026, has now been made permanent. No further action is required on your part regarding these specific transactions, and this fraud claim is officially closed.

Account Security Measures:

As part of our risk mitigation protocols, your previous checking account (ending in 1184) remains permanently frozen. All funds have been successfully migrated to your new checking account (ending in 3302). We strongly recommend enabling Two-Factor Authentication (2FA) via our mobile application and monitoring your credit report for any subsequent signs of identity theft.

If you have any questions regarding this resolution, please contact our Fraud Resolution Department at 1-888-555-0192 between 8:00 AM and 6:00 PM EST.
