

# Annual Excellence Award Nomination Guidelines

Orion Tech Dynamics • FY2026

---

## ANNUAL EXCELLENCE AWARDS: NOMINATION GUIDELINES

To: All Department Managers and Team Leads

From: Global Recognition Committee & HR

Date: August 18, 2026

Subject: Call for Nominations - 2026 Innovation & Leadership Awards

We are pleased to announce the opening of nominations for the 2026 Orion Excellence Awards. This annual program recognizes individual contributors and cross-functional teams who have demonstrated extraordinary commitment to our corporate values, client success, and product innovation.

### Award Categories:

1. The Founders' Innovation Award: Presented to an individual or team that developed a novel technical solution or process improvement yielding significant cost savings or revenue generation.
2. Customer First Award: Recognizes frontline support or client-facing staff who went above and beyond to resolve a critical client challenge.
3. Inclusive Leadership Award: Awarded to a manager who actively fosters psychological safety, equity, and professional growth within their team.

### Eligibility and Submission Rules:

- Nominees must be active, full-time employees with a minimum of six months of continuous service as of September 1, 2026.
- Nominations may be submitted by any peer, direct report, or manager using the secure portal.
- Each submission must include a detailed narrative (300-500 words) providing concrete metrics and examples of the nominee's impact.

### Selection Process:

The Global Recognition Committee will evaluate all submissions during October. Winners will be honored at our Annual Gala in December and will receive a \$5,000 cash prize, a custom trophy, and an additional week of paid administrative leave.
