

Employee Assistance Program (EAP) Announcement

Vertex Health Solutions • August 2026

ANNOUNCEMENT: EXPANDED EMPLOYEE ASSISTANCE PROGRAM (EAP)

To: All Employees and Immediate Dependents

From: Human Resources & Total Rewards Team

Date: August 18, 2026

Subject: Confidential Mental Health and Life Support Services

At Vertex Health Solutions, we recognize that personal and professional challenges can impact your overall well-being. We are proud to announce an expansion of our Employee Assistance Program (EAP), provided in partnership with LifeSupport Solutions, effective September 1, 2026.

Key Program Features:

- Confidential Counseling: You and your household family members are entitled to up to 8 free, confidential face-to-face or virtual counseling sessions per topic per year. Services address stress management, grief, relationship issues, and substance abuse.
- Legal and Financial Consultation: Access to a free 30-minute consultation with certified attorneys and financial planners for guidance on estate planning, debt management, or real estate transactions.
- Dependent Care Support: Dedicated specialists available to assist with finding qualified childcare, eldercare facilities, or summer enrichment programs.

Complete Privacy Guaranteed:

Your privacy is strictly protected by federal law. No individual usage data, session notes, or personal details are ever shared with Vertex Health Solutions or your direct supervisor. Participation in the EAP will not impact your employment status or promotional opportunities in any way.

How to Access Services:

Services are available 24 hours a day, 365 days a year. Call the toll-free helpline at 1-800-555-EAP1 or access the portal via the mobile application using company code "VERTEXWELL."
