RE: Notice of Trademark Infringement and Demand to Cease and Desist

Dear Mr. Pendelton:

We represent Aethelion Networks Inc. ("Aethelion") in matters regarding its intellectual property. It has recently come to our client's attention that your company, NovaPeak Logistics Inc., has been utilizing the name "AETHERCLOUD" (the "Infringing Mark") in commerce in connection with your newly launched supply chain management software suite.

Aethelion is the exclusive owner of the registered trademark "AETHERCLOUD" (U.S. Trademark Registration No. 6,882,109), which has been in continuous commercial use since February 2021 in connection with enterprise networking and cloud routing services.

Your unauthorized use of the Infringing Mark is likely to cause widespread confusion, mistake, and deception among consumers as to the source, sponsorship, or affiliation of your software services. Such use constitutes trademark infringement and unfair competition under the Lanham Act (15 U.S.C. § 1114 and § 1125(a)), as well as under applicable state laws.

DEMAND

We hereby demand that NovaPeak Logistics Inc. immediately take the following actions:

- Cease and desist from any and all further use of the mark "AETHERCLOUD" or any confusingly similar variations thereof.
- Remove the Infringing Mark from all websites, social media accounts, marketing collateral, and software interfaces within your control.
- Provide written assurance to our office no later than September 1, 2026, confirming that NovaPeak Logistics Inc. has complied with these demands and will refrain from future use of the client's intellectual property.

If you fail to comply with these demands by the stated deadline, Aethelion Networks Inc. has authorized us to pursue all available legal and equitable remedies to protect its intellectual property rights, including filing a lawsuit seeking injunctive relief, disgorgement of profits, and attorneys' fees.

This letter is sent without prejudice to any of our client's rights or remedies, all of which are expressly reserved.

Sincerely,

Julian R. Thorne, Esq.
