

MOU FOR JOINT VENTURE EXPANSION

Vertex BioPharma & Crestview Health • August 2026

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is entered into this 18th day of August, 2026, by and between Vertex BioPharma Ltd. ("Vertex") and Crestview Health Systems Inc. ("Crestview"). Vertex and Crestview are collectively referred to as the "Parties."

1. Background and Purpose

Vertex has developed a proprietary portfolio of targeted oncology biologics. Crestview operates a network of comprehensive cancer treatment centers across the Pacific Northwest. The Parties intend to form a strategic joint venture (the "Joint Venture") to co-develop, fund, and operate a dedicated Phase II clinical trial facility in Portland, Oregon. The purpose of this MOU is to establish the preliminary framework for the Joint Venture.

2. Proposed Structure

(a) Ownership: The Joint Venture will be established as a newly formed Delaware Limited Liability Company, tentatively named "VC Oncology Trials LLC." Vertex will hold a 60% equity interest, and Crestview will hold a 40% equity interest.

(b) Capital Contributions: Vertex commits to an initial capital injection of \$12.5 million. Crestview commits to providing \$4.0 million in capital and a 15-year master lease for the 22,000-square-foot clinical facility located at 100 Medical Plaza, Portland, OR.

(c) Governance: The Board of Managers will consist of five members: three appointed by Vertex and two appointed by Crestview. Unanimous consent will be required for major decisions, including acquiring debt exceeding \$1.0 million or issuing additional equity.

3. Exclusivity and Due Diligence

From the execution date of this MOU until November 15, 2026 (the "Exclusivity Period"), neither Party shall engage in discussions with any third party regarding the establishment of a similar clinical trial joint venture in the Pacific Northwest region. The Parties will conduct mutual operational, legal, and financial due diligence during this period.

4. Binding Effect

Except for Section 3 (Exclusivity and Due Diligence) and Section 5 (Confidentiality), which are legally binding upon execution, this MOU does not create any legally binding obligations. The formation of the Joint Venture is expressly contingent upon the negotiation, execution, and delivery of a definitive Joint Venture Agreement and related operating agreements.
