TERMS OF SERVICE

Last Modified: August 18, 2026

Welcome to Apex Logistics Platforms ("Apex," "we," "our"). These Terms of Service ("Terms") govern your access to and use of our proprietary fleet management software-as-a-service (the "Service").

1. Acceptance of Terms:

By accessing, registering for, or using the Service, you agree to be bound by these Terms and our Privacy Policy. If you are entering into these Terms on behalf of a company or other legal entity, you represent that you have the authority to bind such entity to these Terms.

2. License and Restrictions:

We grant you a non-exclusive, non-transferable, limited right to access and use the Service solely for your internal business operations. You shall not: (a) sublicense, resell, or lease the Service; (b) attempt to reverse engineer or decipher any source code; or (c) use the Service to store or transmit infringing, libelous, or otherwise unlawful material.

3. Fees and Payment:

Subscription fees are billed in advance on a monthly or annual basis and are non-refundable. You agree to provide valid and updated credit card or ACH information. If an account falls 30 days into arrears, we reserve the right to suspend access to the Service until all outstanding balances are settled in full.

4. Data Ownership:

You retain all rights to the data you input into the Service. You grant Apex a worldwide, royalty-free license to host, copy, and transmit your data strictly as necessary to provide the Service to you.

5. Termination:

Either party may terminate this agreement with 30 days' written notice. Upon termination, your right to use the Service will immediately cease, and all cached data will be deleted in accordance with our data retention policies.
